

Mrs. Zahn suggested that the city place a ten per cent tax on the sale of real estate in the City of Albany to make up for the loss of some revenue in sales tax receipts. After some discussion she said she would be willing to compromise on a lower rate, but other members of the council refused to go along with the proposal, and the mayor stated that he would continue with other matters on the agenda.

Albany Education Board Will Meet Parents on Nov. 6

"Meet Your Board of Education," the second in a series will be held Thursday, November 6, at 7:30 in the cafeteria of Marin School, sponsored by the Marin PTA-Dad's Club. Mrs. Elizabeth Lott invites all parents to attend. "The Board of Education of the Albany City Schools believes that the schools are a vital concern to the people they serve," Charles A. Pinkham, President, stated in his opening remarks at the first panel meeting, adding that "through these meetings there will be opportunity for promoting more wide spread acquaintance with the board and a better understanding of our schools and our schools' problems."

The program for November 6 will consist of response to questions solicited from the audience, as well as those which were submitted in advance and will be used for the beginning of the panel discussion. Panel guests will be Charles A. Pinkham, Mrs. Rae Volz, Dr. Leslie Bennett, Max D. Kelley, Milton A. Porter, who comprise the Albany Board of Education, and acting as moderator will be Kenneth M. County Groups Hold Hallowe'en Costume Dance

Anticipation became realization, at the Hallowe'en Costume Dance sponsored jointly by the Alameda County Council and Auxiliary, of the Veterans of Foreign Wars. Hard work, and good publicity paid off beyond expectations. The dance was a tremendous success socially and financially. Dancers and non-dancers enjoyed it equally.

By far the larger percentage of participants were in costume. In spite of the fact that one was a "Purple People Eater," no people were eaten. Katie Cabral took top honors for the women, and "Doc" Chapman did for the men. The most unique costumes were worn by the Aalspeths, Pat and Ben. They were the Jupiter People from Outer Space, and the costumes were made by Mrs. Aalspeth.

Deep dark mystery was part of the affair. The "Sheik of Araby" and the "Purple People Eater" must remain nameless, but they walked off with the prizes for the funniest costumes. Ray Sproull received the \$25 merchandise order; Ada Lukens, the blanket attendance award, and Frances Lane, the special award of cleaning and grocery orders. Six year old Denise Kogler, niece of Florence Christensen drew the tickets, and received \$1 for her services.

Much credit is due President Franke Evers, Commander Burt Archer, General Chairman Joe Ferriera, co-chairman June Archer, and to all who in any way helped to make the dance the success it was.

Judith Mason Says Vows At Northbrae Church

Judith Ann Mason of Albany became the bride of Carl Kangas in a wedding ceremony at the Northbrae Community Church on October 12. The vows were said at a 2 o'clock ceremony in the white chrysanthemum decorated church with the Rev. Lehti of Berkeley officiating.

The bride was given in marriage by her father, Charles Otho Mason.

Immediately following the wedding a reception was held at the home of the bride's parents, Mr. and Mrs. Charles Otho Mason, of Key Route Boulevard, Albany.

Judith is a graduate of Albany High School. The bridegroom, son of Mr. and Mrs. Kangas of Berkeley, is a graduate of Berkeley High School.

The newlyweds will make their home in Berkeley.

Better Education for Albany Youth Aim of Board of Education Advisory Committee

The Advisory Committee to the Board of Education (which meets at 8 p.m. the fourth Monday of each month in the School Board Room) currently is studying the Counseling Services of Albany High School, as well as the Objectives and Goals of the High School Program.

The sub-committee on "Counseling Services" submitted a preliminary report at last Monday night's meeting, setting forth the status of the present counseling service and the projects they propose for study in the immediate future. It was noted that the present counseling setup consists of one full time counselor and two half time counselors, with the time available per student and/or parent being ninety minutes a year.

This sub-committee proposes a telephone poll of the parents of the past graduation senior class, and of registered students now at Albany High, in an effort to locate areas of possible improvement of the present counseling program. In addition, they will conduct research of counseling in other areas, study of the present counseling, load, procedure and reliability of tests, and investigation into a "work experience program" for senior students.

The members of the Advisory Committee, comprising 25 citizens of Albany, are interested in the betterment of the education program for the youth of Albany. They study the problems concerning the public school program which are referred to it by

the Board of Education or initiated by the Committee. Conclusions reached by the various sub-committees are submitted to the Advisory Committee for vote of recommendation to the Board of Education. The Board then gives study and consideration to those recommendations.

The Advisory Committee meetings are open to the public, as are the Board of Education meetings which are held the second Tuesday of each month. (Due to the holiday, the next Board of Education meeting will be held November 18.) The next Advisory Committee meeting will be November 24.

Xmas 'Showcase' at Claremont Nov. 12-15

There are many women from the Bay Area working diligently on this affair. Mrs. Donald McLaughlin (Vassar) of Berkeley is General Chairman with Mrs. Donald Scarff (Wellesley) of Orinda serving as her co-chairman. Among those helping as hostesses and saleswomen is Mrs. W. Francis Ganong (Smith) of Albany.

Cornell P.T.A. To Hear Teacher On Europe Tour

"An American Teacher's Impressions of Europe" will be discussed at the Cornell P.T.A. meeting, Thursday, November 6, at 1:30 p.m. The featured speaker will be Mrs. George Maslach, former science and mathematics teacher.

Mrs. Maslach, her husband George and their three children recently returned from a 6 months tour of western Europe. Mr. Maslach, an aeronautical engineer affiliated with the University of California, was on a lecture tour of Europe at the request of N.A.T.O.

Mrs. Doris Maslach is a past president in P.T.A., having served 2 years as president of Emerson School, and at present is a member of the executive board of Berkeley-Albany Council of P.T.A. and is also serving as Teacher Education chairman for the 16th District C.C.P.T.A.

Mrs. Jeanette Bruce will conduct the school orchestra in two musical selections. The flag salute will be led by Girl Scout Troop 19, under the direction of Mrs. Joe Smith, and Mrs. Richard Cerri. A book exhibit will be shown by Mrs. C. Coring, library chairman, to celebrate "Book Week." Mrs. Chet Wildman will have a preview of items to be on sale at the P.T.A. Bazaar. Child care will be provided for children over 2 years of age, and refreshments will be served in the cafeteria after the program.

Church Council To Hold Dinner

Mrs. Robert Sibley, of Berkeley, will be the featured guest speaker at the annual World Community Day Dinner and program of the Berkeley-Albany Council of Church Women to be held Friday evening, November 7, at 6:30 p.m. at Calvary Presbyterian Church, 1940 Virginia Street, Berkeley.

Hostesses will be Mesdames Pertti Espola from Turke, Finland, who is here while her husband is studying for his Ph D in Business Administration at UC; Robert Beharry from British Guinea, who is here while her husband is studying for the ministry at the Lutheran Seminary — he was headmaster of a high school in his own country — and Lincoln Mei, who is a member of St. John's Presbyterian Church, Berkeley where she teaches in Sunday School, and is a musician, playing for Chinese church services and is a member of the Council of Churches. Miss Chizuko Thutsumi of Japan, a graduate student in Social Welfare at UC is also a hostess, and all four will be dressed in their own traditional garments.

Senior Citizens Hold Successful Hallowe'en Party

The Senior Citizens of Albany at 850 Masonic Avenue, met on the evening of October 28 for their annual Hallowe'en party.

The first event in entertainment for the evening was the Hobo Stew prepared and cooked by the president, Eleanor Kip. All of the seniors, most of them garbed in various types of Hobo costume, agreed that it was the best Hobo stew that they had ever eaten and a vote of thanks was given Eleanor.

A large birthday cake honoring those born in the month of October, was served with lots of coffee as dessert.

After the dinner, a committee of three, consisting of Roberta Valentino, Agnes Jensen and Emma Claymore was appointed to judge the costumes. Edith Bertum was chosen as the best of the women and Julian Kay as the best of the men. Suitable prizes were awarded.

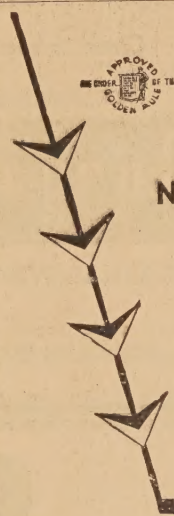

A short comedy skit which drew many laughs was presented by Earnest and Jean Chapman. The Seniors did not realize they had so much hidden talent in their midst.

After the tables were cleared the usual games of cards were played.

The Bazaar held on October 30 was a smashing success. Many fine pieces of needle work were sold and the sale of baked goods was very successful. One thing the Seniors learned was "have more baked goods at the next Bazaar."

Fireman Freddy Says:

If you own an outboard motor or any gasoline powered equipment, be sure the gasoline is stored in an approved container.

Not A Problem

It is important that the family not be burdened by financial worries at the time of obvious emotional strain; the unusually moderate cost of Ellis-Olson service is greatly appreciated, for this reason, by all who request our assistance.

m-m-mmm (sigh) electric heat!

Electric heat gives you that take-off-your-shoes-and-be-comfortable feeling. And that's quite all right because modern electric heaters warm an entire room so evenly, you can go shoe-less without feeling c-cold spots or ch-chilly drafts.

Here are three proven electric heating systems that are better buys now. All quick, quiet and fully automatic!

the class. The November 4 class, with Miss Lenora Mahoney, R.N., conducting, will be held at the same hours on Tuesdays and Thursdays.
